Subject: Third Party Organizations

In order to capture areas where PM employees (both US and International) act as representatives of Philip Morris in organizations or working groups, I need a list of the following (if applicable):

1) Any trade or third party industry organization to which you belong **IN ADDITION TO** any research they are funding or plan to fund (i.e., VdC, Coresta, TMAs, etc.);

[Dempsey, Ruth] I am a regular attendee to the UK TMA meetings. Currently, and for the past decade or so, TMA does not fund any external research. The only external funding (at least for the groups which I attend) is for the consultancy services of Peter Lee.

2) The name of any working groups to which you belong, both internal or external to PM, **IN ADDITION TO** any research they are funding or plan to fund; and

[Dempsey, Ruth] Currently I am only active on working groups within the TMA. These are the Additives Working Group, The Emerging Issues Group and the ETS working group. None of these groups are actively funding any research at the moment.

I have in the past sat on some temporary working groups for GECCM although as I am not currently involved in any of these activities at the moment.

3) Any professional societies to which you belong.

[Dempsey, Ruth] I am a member of The British Toxicology Society; The Institute of Biology (UK), The UK Environmental Mutagenesis Society, The British Association for Lung Research and The International Society for Environmental Epidemiology.

Please provide me this information by Thursday, **December 2**.

If none of these are applicable to you, please let me know that as well.

Let me know if you have any questions.

Thanks,
Valerie
